# Services

## Free Measure and Quote

---

Our designers visit you in the comfort of your home and provide you with a free measure and quote. As they can see the space that you are working with they can **offer solutions** to provide the optimal space for your kitchen.

## Custom Manufacturing

---

Each kitchen is individually designed and manufactured to your needs. We use Palette CAD, a design software, to design your kitchen. It allows us to change your design with ease to **suit your needs**. The program ensures accuracy as our kitchens are custom made.

We also use this program to order your kitchen that is cut out with state of the art CNC machines.

# Accurate Machine Cut

---

The cabinets and door/drawer faces are cut by a local Gold Coast company that specialises in cutting and edging kitchens and have state of the art CNC machines to cut your kitchen to the millimeter. Top of the line edgebanders are used to apply the 1mm durable ABS edges.

All holes including shelf supports are also drilled by machine.

## Polyurethane Finish (2 Pac)

---

We use a local Gold Coast company to spray all doors and drawer faces with a Polyurethane Finish (2 Pac). Polyurethane is designed to meet the high demands of interior furniture with superior durability, gloss retention, chemical resistance and UV protection.

# Rubbish Removal

---

All rubbish is **taken away** by our staff in our vans and is disposed of. We do not use skip bins that can damage driveways and grass.

# Appliance Recycle

---

We can recycle any appliances you do not want through our scrap metal recycling system.

# Payments

---

Once you are happy with your quote and are ready to go ahead, only pay a 10% deposit. The remainder is then due on completion of your kitchen. This offers **Peace of Mind** that we will stay with you to the end of your kitchen installation.

of Mind

# Installation of Cabinetry

---

All installations are carried out by our qualified cabinet makers, that are full time staff members of Verto Kitchens. They adhere to our high standards of installation and quality of work.

*Verto employs full time cabinet makers. We do not subcontract the cabinetry to anyone else.*

We pride ourselves in having friendly staff that are polite and well mannered. They are there to help you in the transition of installing your new kitchen and are your point of contact while your kitchen is being installed.

## Verto Staff Care

# Licenses

License Number 113 8431

Fair  
Trading

License Number 259300C

Verto Kitchens has a **builders licence**, so Verto can legally organise your whole kitchen renovation from electricians, plumbers, tilers, plasterers, tilers and stone masons.

*Building work in Queensland over \$3,300 needs to be performed by a current Builders Licence Holder*

***QBCC License number 113 8431***

Check us out at [www.qbcc.qld.gov.au/licensee-search](http://www.qbcc.qld.gov.au/licensee-search) using our company name, Verto Kitchens, or our License number 113 8431.

By clicking on **LICENSEE'S FULL HISTORY** and scrolling down to **RECORD OF RESIDENTIAL CONSTRUCTION WORK**. You will find the number of jobs we have insured. Note some jobs are not covered, like high rise buildings, NSW residences and work for other builders.

# Individually Licensed Trades

---

Verto Kitchens only use licensed trades ensuring your **safety and a quality** job every time. Don't get caught out with your appliances not being under warranty because licensed trades were not used.

Yes you can use our trades for any additional renovations you are performing outside of the Verto works as well.

## Home Warranty Insurance

---

We offer a **6.5 year warranty backed by the Queensland Government**. Conditions Apply.

We register your kitchen installation with the QBCC which is a protection for homeowners. It provides cover in situations where the contractor fails to complete the work, the work is defective, or subsidence occurs.

It is a legal requirement in Queensland that all building work over \$3,300 has insurance.

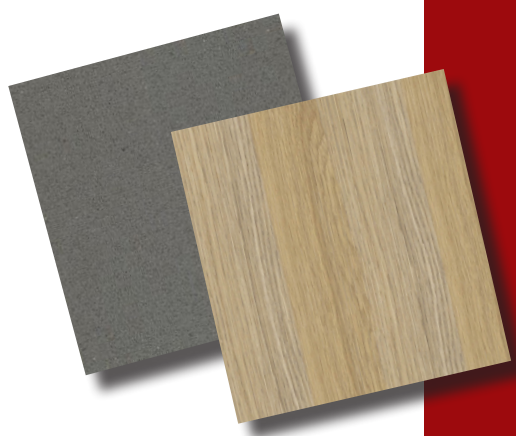

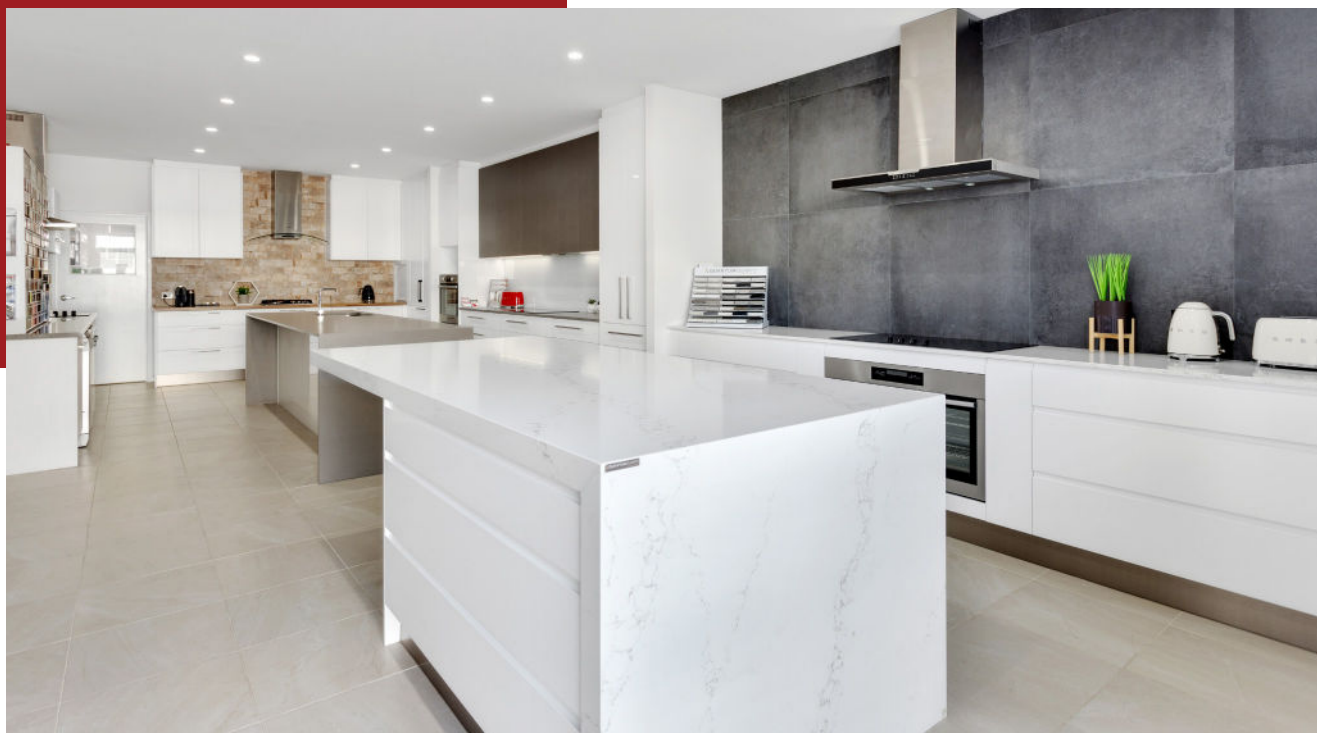

Verto uses Blum hardware for their drawers and hinges because of their **LIFETIME WARRANTY.**

# Showrooms

## Showrooms

Visit any of our **three showrooms** located in **Burleigh, Bundall** and **Labrador** to view some set up kitchens, larger stone samples and get some take home samples.

You can also talk to one of our friendly staff members who can help you with information on materials for you door and cupboards, benchtop options, standard appliances and splashback materials
